90XL Meter Monitoring Software

View and Graph Your 90XL Meter Data in Real Time

Mesa Laboratories, Inc. is proud to introduce 90XL Monitoring Software¹. The 90XL Monitoring Software allows you to monitor your 90XL Meter in real time! The 90XL Monitoring Software and 90XL Monitoring Software User's Guide are available for FREE to download from our website, <http://www.mesalabs.com/medical/downloads.html>.

- View Data In Real Time²
- Graph Your Data
- Alter Your Data Recording Interval Directly From The Software
- Save Your Data For Later Recall
- Create Reports Directly From The Software
- Print Our Reports To Share With Others Or For Audit Purposes
- Capture Data And Copy/Paste It To Other Programs

A Mesa designed serial cable is required to connect the 90XL to your computer:

Part #: 350110013	(length 5 meters)	\$75.00
Part #: 350110013-1	(length 7 meters)	\$75.00
